Mr. William Casey
Director
Central Intelligence Agency
McLean, Va. 22101

Dear Mr. Casey:

I am writing to request your assistance in expediting my request for information under the Freedom of Information Act.

I am enclosing copies of correspondence with [redacted] The Infor-STAT
mation and Privacy Coordinator. As you will note, I made a formal request
for information of January 29th, 1984 for all information pertinent to
myself under the Freedom of Information Act. On January 31, 1984, I again
requested information as I am being denied eligibility for employment.

At this time, I have had no acknowledgement of my request, nor any infor-
mation from either request.

In addition to requesting your assistance in the release of information
under the Freedom Of Information Act, I am also asking you to provide me
with my rights under the Freedom of Information Act with your Agency.

In anticipation of a prompt reply, I thank you for your efforts on my
behalf.

Sincerely Yours,

STAT

Dear [redacted]

STAT

This is to acknowledge receipt of your request for information pertaining to yourself. It is the policy of this Agency to process eligible requests that involve personal information about the requester under the provisions of the Privacy Act of 1974, and not under the better known Freedom of Information Act (FOIA).

Our search efforts under either Act are the same, and you will receive at least as much information pertaining to yourself under the Privacy Act as you would under the FOIA. Therefore, unless we hear from you to the contrary, our processing of your request will be under the Privacy Act only.

We will begin our search for responsive documents in existence as of and through the date of this acceptance letter.

As you may know, we have a substantial processing backlog which is causing significant delays in our responses. As a matter of policy, we process all requests on a first-in, first-out basis, which we believe to be the most equitable for all requesters. In view of this, it is not possible to give you a firm estimate of when your request will be completed. Please be assured, however, that we are working on it. Your patience and understanding while we process your request will be greatly appreciated.

Sincerely,

STAT
